The Warren

Designed for those who value both intention and ease, The Warren balances thoughtful layout with everyday livability. Natural gathering spaces invite connection, while quiet retreats offer moments to reset and recharge.

- **A covered porch** creates a comfortable outdoor extension of the home, ideal for relaxing or entertaining in any season.
- **The private rear courtyard** offers a quiet, secluded space that enhances everyday living and outdoor connection.
- **A large primary bedroom** is thoughtfully located near the laundry, providing both convenience and a peaceful retreat.

Every space feels intentional, every detail considered—resulting in a home that supports how you live today while elevating everyday moments.
